## Parent Information Letter; Issue 324

Friday 9<sup>th</sup> of June 2017

Dear Parents,

The P1 Panaga School Backpack Appeal took place last Wednesday 7<sup>th</sup> June, where Panaga School staff, the Student Council, Panaga parents, BSP representatives and the Ministry of Education all attended an event at Meranking School, Labi Road.

Over 90+ backpacks were distributed to local school students in the Labi Road area. The joy on the faces of all children receiving the bags highlighted the impact of this project.

All of our community events take a considerable amount of organising and this one particularly involved several agencies too, so another layer of complexity was added.

So many people to thank for making a real impact on the lives of so many young children. Special thanks to all parents who contributed to the appeal.

Events like the Backpack Appeal are a large part of the roles of schools - working with other schools and showing how we support and care for one another.

Thanks to all who contributed to this project.

## Panaga School Yearbook 2016/2017 – still not purchased a copy?

The Yearbook has been sent to Brunei Press for printing and will be available for collection at the school offices in the first week of July. Thanks again to all parents and staff who have purchased a copy.

If you are yet to and are still interested in purchasing a Yearbook (for \$14), please see either administration office as soon as possible, as a limited number of copies have been added to the original order.

Thanks again to everyone for your support.

## Teraja campus drop-off and pick up locations

A gentle reminder that if you are dropping off your children at Teraja, there are two safe vehicle drop-off points: at the main school entrance and by the school library using the road at the rear of the campus. **Please do not use any other areas of the school campus for dropping children off.**

We also recommend that parents do not drop children off at the side of the road at the rear of the school as this not only puts your own children at risk but also potentially causes congestion that can put others at risk too.

If you elect to pick up children at the Padang, we would strongly recommend that you meet your children at the footpath that enters the car park.
